

From: EyeC Product Management  
 Date: 21 May 2026  
 Subject: Discontinuation of Profiler 300 DT

**Reason for discontinuation**

Dear EyeC Partner,

We would like to inform you that the Profiler 300 DT has been removed from our product range with immediate effect and is no longer available, since the manufacturer no longer produces these scanners and they were discontinued in December 2025.

We recommend the Profiler 400DTe as the replacement model.
